

Happy
Mother's
Day!

Covenant
House
Georgia

In celebration of Mother's Day,
I've made a special memorial gift to
support Covenant House Georgia.

CHGA provides shelter, support, and care for nearly 2,000 youth each year who are experiencing homelessness and/or escaping trafficking in the metro Atlanta area. This gift, made in loving memory, will help empower young moms like Leila and her 8-month-old son, Kaidyn (pictured), who are part of CHGA's Pregnant & Parenting Youth Program.
